T1

your compact mobile assistant

The Mindray T1 Transport Monitor has been designed to meet the unique challenges of monitoring patients through transport. The T1 offers advanced capabilities including arrhythmia and ST analysis, non-invasive blood pressure, invasive blood pressures, SpO₂, respiration rate and two temperatures, all in a 2.5 lb (1 kg) package. Its ergonomic carrying handle and multiple mounting options offer unprecedented mobility. An optional CO₂ external module gives you added flexibility making the T1 your preferred choice for mobile patient monitoring.
