

PC-based 12-Lead Resting ECG

# Cardio P1

Explore

A New Generation of Healthcare Solution

# Compact & Comprehensive design in mind

One touch operation from acquisition to data management

- Cardio P1 Compact interfaces with your own PC
- CardioSync : PC software program with user-oriented UI / UX
- Auto Key : Supports Simple 3-Step Workflow
- Simplifies 5 workflows in one touch operation
- Lead fault detection & notice

✓ 1:1 Scale image of P1

## AUTO key workflow

AUTO

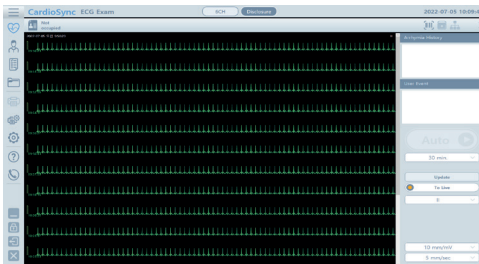

## Documentation

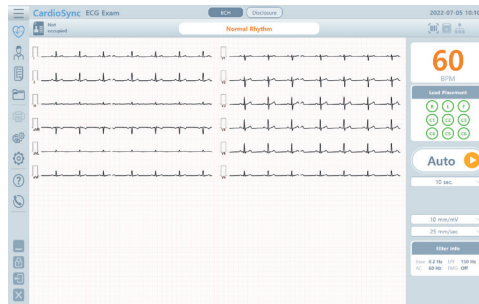

- ✓ Store
- ✓ Printout
- ✓ Export (Server or USB)

# Compact is Complete Solution

- Preamplification 10 sec for real-time print-out
- Preview screen before print-out
- Compare / Zoom / RR measurement functions for more detailed review
- Full disclosure for 30 min (Live mode available)
- Long-term ECG recording for 1, 3, 5, 10, 20, 30 min intervals
- Real-time arrhythmia detection (13 types)
- Heart Rate Variability (HRV) analysis
- Diagnostic interpretations (120 diagnoses)
- Custom reports for detailed interpretations and analysis (Text, ST segment and map, Guide, Vector)

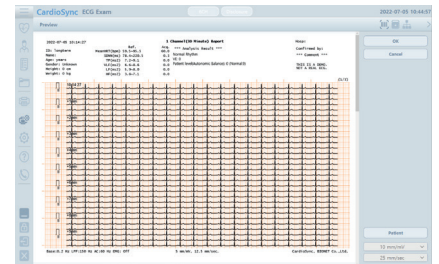

**30 min full disclosure**

**Real-time interpretation**

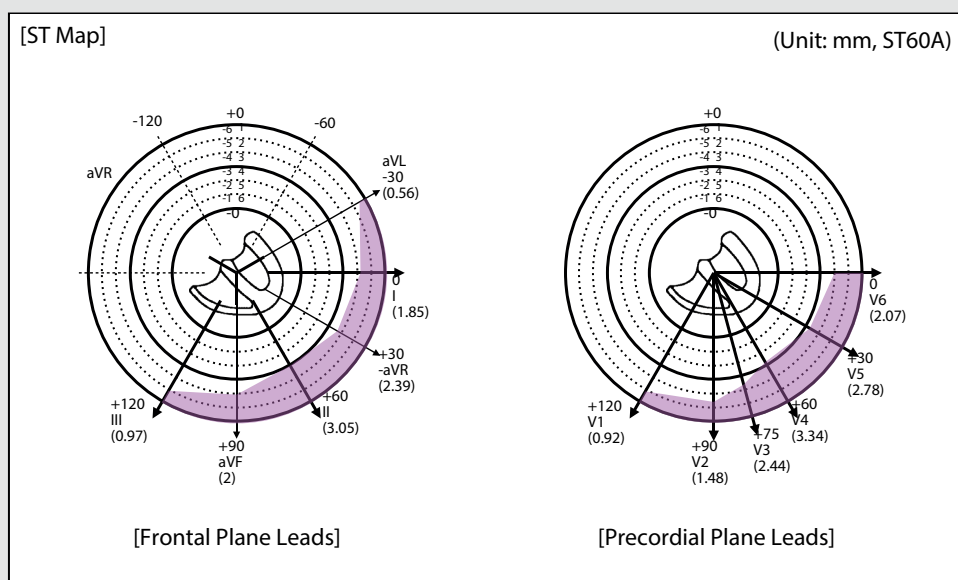

Acquire & interpret ECG data in real-time without delay for better informed decisions of arrhythmia with 120 kinds of diagnosis

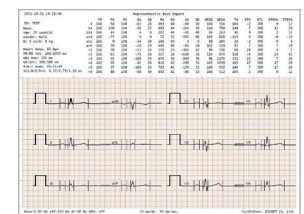

**Long-term recording up to 30 min**

Run up to 30 min ECG acquisition to see HRV trend with one touch command

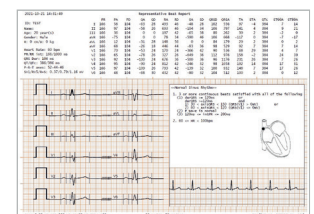

## The Bionet patented ST Map

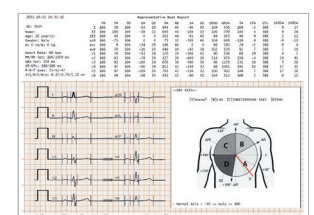

- Visual information of ST segment deviation and spatial orientation.
- Intuitive and easy understanding of each clinical location of subendocardial ischemia and transmural injury.
- More frequent, quick, and accurate monitoring to enhance medical treatment for cases of myocardial ischemia.

**Text**

**Guide**

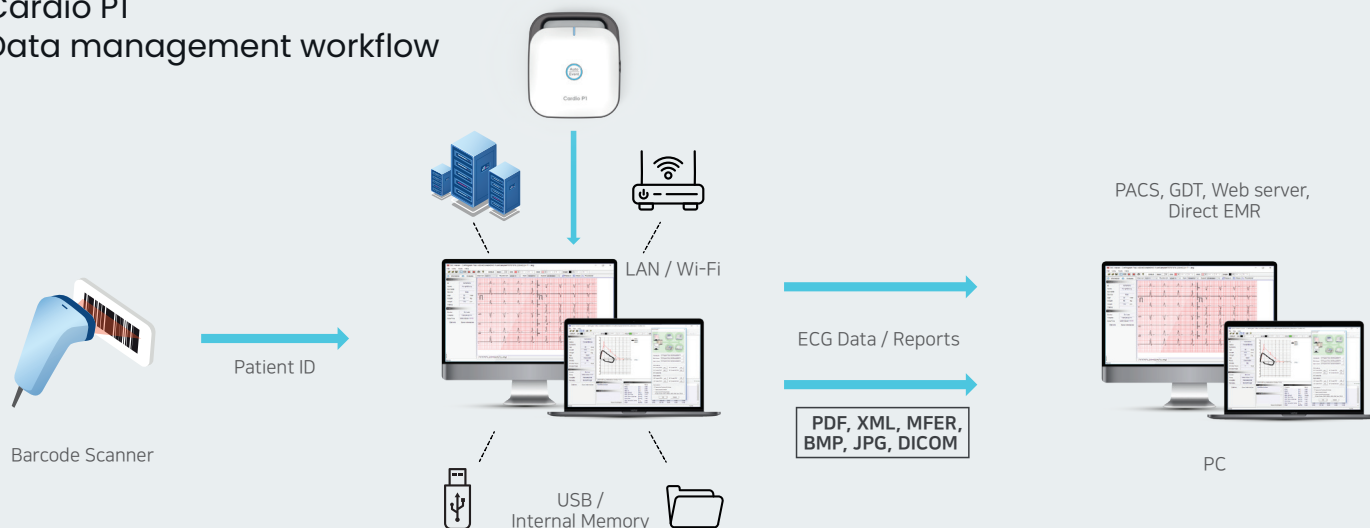

**Vector**

# Compact is Adaptive

- PACS, GDT, Web server, Direct EMR (Direct and bidirectional connectivity)
- Extended data storage (500 cases)
- Various standard file formats : PDF, XML, MFER, BMP, JPG, DICOM
- Flexible connectivity based on your PC specifications

## Cardio P1 Data management workflow

## Height adjustable Cardio P1 arm holder
